

# *Greenwich* ENTREPRENEURS

Each week the *Greenwich Post* highlights a local entrepreneur in conjunction with *The Greenwich Entrepreneurs Show*, a radio show on AM 1490 WGCH, Fridays at 9:30 a.m.

This week's guest is **Robert Politzer**.

**Occupation:** president

**Name of business:** GreenStreet Construction

**Address of business:** 500 West Putnam Ave., Suite 400, Greenwich

**Inspiration for entering the field:** I have always had an interest in the environmental and education fields. With my master's degrees in environmental policy and environmental engineering, and my experience in environmental remediation, it was a natural step up for me to green building. Since I learned of this field in 1999, I was instantly in love and passionately involved as both a builder and an educator.

**What's new?:** While we had previously worked outside of New York City, including working on the Mark Twain House Education and Visitors Center in Hartford, we have recently opened an office in Greenwich and have a number of initiatives in the works in Connecticut. I am also running a green business networking group, Gotham Green of Connecticut, which meets the first Tuesday of every month at noon at the Greenwich YWCA. GreenStreet is also currently working on a number of projects in New Jersey and New York.

**Contact:** 542-7276; 646-523-3695; Greenstreetinc.com

**Robert Politzer**

Tune in to WGCH tomorrow for more.
